**“To love is to adore. Adoration is the first response we can offer to God’s gratuitous and astonishing love. The amazement of adoration, the wonder of worship, is something essential to the life of the Church, especially in our own day in which we have abandoned the practice of adoration. To adore God means to acknowledge in faith that he alone is Lord and that our individual lives, the Church’s pilgrim way and the ultimate outcome of history all depend on the tenderness of his love”**

*Pope Francis, Ordinary General Assembly of the Synod of Bishops, 29 October 2023.*
